Friday 29th November

- Swim Scheme

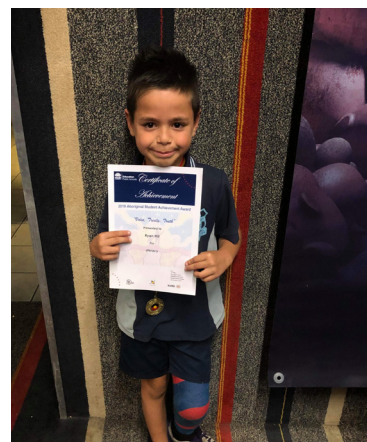

Principals Address

Dear Parents and Caregivers

As the term moves quickly I would like to inform everyone that Mrs Harris is on long service leave from Monday 4.11.19 until Friday 8.11.19. She will be returning to school on Monday 11.11.19.

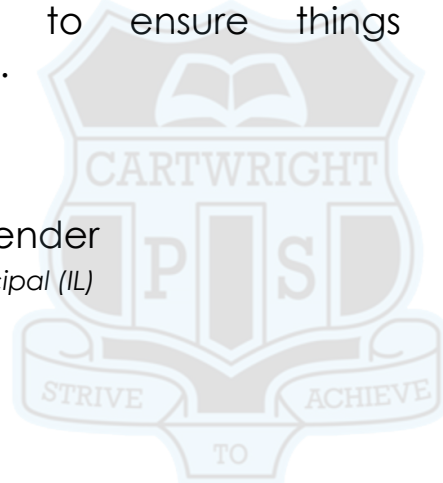

Congratulations to Ryan H from 2-3 Blue for receiving a Literacy award at the 'Aboriginal Student Achievement Awards'.

Wow! How exciting it is to look across and see our basketball court remodelling underway. It won't be too long before everyone will be able to use it and have lots of fun.

We have a busy term ahead so please remember to read all correspondence and return notes promptly to ensure things run smoothly.

Regards,
Deidre Pender
Deputy Principal (IL)

CLASSROOM UPDATES

Support Unit

K/1 Aqua, 1 Violet & 2-6 Lime

In Term 4 our Support Unit students are participating in dance for sport and are learning the elements of dance.

Each week we are learning a new song and developing our skills in following a routine, listening to instructions and gross motor skills.

Students are given the opportunity to interact with their peers and learn new skills while socialising in a fun and interactive environment.

K Red

What have K Red been up to?

Well the boys and girls have had a lot of fun dressing up lately for various school events.

They enjoyed wearing cultural clothing for Multicultural Day last term and more recently Halloween. Thanks to the parents for going to so much effort.

The students in K Red have really been enjoying dance this term for sport. We have some great little dancers in K Red. They have been learning the Cha Cha and other fun dances.

CLASSROOM UPDATES

5/6 Silver

5/6 Silver has had a busy start to Term 4 and are looking forward to all of the Stage 3 events leading up to the end of the year.

Students have already participated in the Halloween Café and Mufti Day to raise money for the Year 6 farewell.

We have been working effortlessly in class and are enjoying learning a hip hop routine as part of dance each week.

5/6 Silver have also been working on assisting younger students complete activities during library and technology lessons.

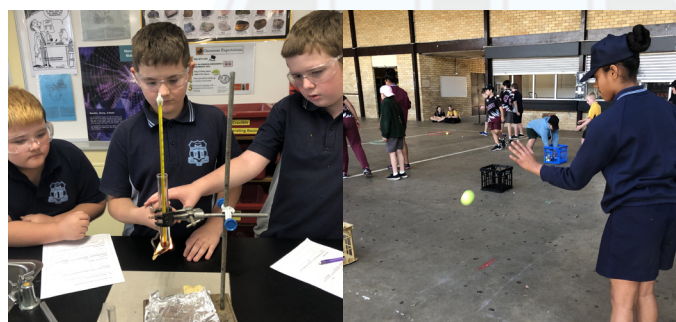

We have our night excursion coming up on the 14th November to Sydney Observatory which they are all looking forward to.

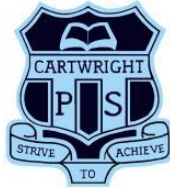

This is also the last term of primary school for our Year 6 students. They have already received their Year 6 shirts and have been participating in lessons and activities with Miller Technology High School to ensure a smooth transition into Year 7.

Later in the term, we will be holding our annual Ebony day event and the Year 6 farewell.
